(Assembly Required)

MACHINE PACKAGES

Power / Pump & Complete Pumping Units with Interpump or Cat Pumps

NOTE: Photo shows complete assembled unit. This is a kit requires assembly

Stationary & Mobile Units Include:

- Black Max mounting frame
- Power unit: Gas engine/Electric motor
- Gear reducer (if required) on engine units
- Pump – INTERPUMP or CAT SuperFlo plunger
- Unloader
- Chemical injector, line & filter
- Mounting hardware & fittings
- Switches, cords, etc. (as required)
- Safety relief valve
- Thermal relief valve

Pumping Unit Only Includes:

- Pump with unloader
- Engine (with gear reducer, where required) or motor
- INTERPUMP package comes with flange and direct drive coupling

Substitute with a honda engine they're available & in stock call for details!
