 #8670-1WF . Free Air/Water Machine
 #8819 Air Machine Pedestal
 *Vault ready versions available.

It's easy to inflate your bottom line when you add the J.E. Adams Industries #8670-1 Stainless Steel Air Machine to your convenience store, truck stop or car wash...anywhere there is traffic.

PUMP UP YOUR PROFITS

Tough stainless steel construction and flawless engineering ensures years of dependable service. User friendly graphics invite customers to check their tire pressure at your location. Along with increasing traffic at your business, the Stainless Steel Air Machine performs an important service your customers will appreciate.

RUGGED STAINLESS STEEL CONSTRUCTION

Our Air Machines are constructed with a quality 14-gauge stainless steel that is durable, low maintenance, and will not rust.

SECURE INVESTMENT

Your investment will be safe when it's in the Air Machine. Our concealed hinge and high security lock bar system have been engineered to protect your income. An optional locking coin box allows service to the mechanics of the equipment without access to the money. A cycle counter is an option that allows one to check cycles of use against coins received.

#8670-1 Air Machine with #8819 Pedestal

#8670-1 INSIDE

When you order the J.E. Adams Industries Air Machine, it is built to meet your needs. You choose the security options. The Air Machine can be wall-mounted or free-standing with the optional #8819 pedestal. You can also choose to offer free air as a form of customer service... or you have the option to charge 25-, 50- cents... driving up your profits.
